NICHOLALALA

What's wrong?

Still can't answer the gatekeeper's question?

He changes it every day!

I don't know why you want to go down to the underworld. I avoid that place.

I'm just curious. I just want to take a peek and then come back.

I just want to stay a ghost... and stay here... I'm not going anywhere near the underworld.

It's not so bad. I have you and the magical creatures as friends.

I get to still see this beautiful world!

And when you die you can be a ghost too and we can haunt this place together!

I can't wait until you die!
